| Weight | 30%   | 20%       | 20%        | 15%      | 10%  | 5%        |

**Assignment:** There will be weekly on-line assignments administered through the on-line homework software WebAssign, which is a required course material.

There will also be homework problems to write up on paper each week and turn in. These problems will require more than just procedure, might connect two or more things together, and will typically be the most difficult exercises you will work on over the semester.

## Homework Policy:

- Paper Homework will be released each Thursday or Friday on the course web page, and due on the following Friday during recitation. Late homework or emailed version shall NOT be accepted.
- One lowest Homework score and Three lowest WebAssign scores will be dropped when calculation net score.
- You may discuss with your classmates about homework, but you should organize and write your solutions by yourself. Make an acknowledgment of collaborators, if any.
- You may contact me or the TA if you have any question on Homework grading. Appeals should be made within one week after graded homework is returned.

## Quiz Policy:

- There will be a quiz each week during recitation, except the midterm weeks.
- One lowest Quiz score will be dropped when calculating net score.

- You may contact the TA if you have any question on Quiz grading. Appeals should be made within one week after graded Quiz is returned.
