Speakers

Iosif Polterovich, Université de Montréal

Christopher Sogge, Johns Hopkins

John Toth, McGill

Daniele Valtorta, EPFL Lausanne

Northwestern University
Saturday - October 25, 2014
10am - 5pm

Talks will be held in L28 Harris Hall, Northwestern University
All are invited to attend | No registration is required

NORTHWESTERN
UNIVERSITY

This event is supported by
the Mathematics Department of Northwestern University,
as part of the Emphasis Year in Geometric Analysis.

Organizers:
Aaron Naber
Valentino Tosatti
Ben Weinkove
Steve Zelditch
